

Tirupati
INDUSTRIES (INDIA) LIMITED
ACHIEVE

Quality Policy

We, at TIRUPATI INDUSTRIES (INDIA) LIMITED, commit ourselves for customer satisfaction by providing them high quality products that include Methyl Esters, Biodiesel, Industrial Oils, Fatty Acids, Edible Oils, Chemicals and Laboratory Reagents with consistent quality material at competitive costs through continual improvement.

To this end, the group commits to adopt a Quality Management System which complies with ISO 9001:2008.

We also commit ourselves to revise our policy with respect to change in business environment and our goals.
